Health and Safety	event data			The number of Sentinel Events will be been reviewed two times a year. Sentinel Events are required to be reported on a timely basis. For any Sentinel Event reported a root cause analysis will be completed by the provider and reviewed by CMHPSM who will monitor any action items. Sentinel events are monitored and recorded by all contracted residential providers and reported to the CMHPSM. The CMHPSM compiles information and completes the report to the state biannually.
	CMHPSM .	eporting_ submissions ata submissions		SUD Dashboard encounter data quality: The PIHP submits all reports to MDHHS within the appropriate timeline. Monitors provider submissions of required reports and data.
