Additional Naloxone Resources

- 1 NEXT Distro-** NEXT's mail-based services are specifically designed to support individuals who are unable or unwilling to access in-person services in Michigan. To qualify for free mail-based naloxone distribution, individuals will need to view a training video, answer a short quiz, and provide enrollment information. To receive free Narcan, please visit:
nextdistro.org/milangchoice-in
- 2 Pharmacies-** Naloxone is also available at all major pharmacy chains. No prescription is needed, but the cost is dependent on insurance. Call before going in.

Overdose deaths are preventable.

Naloxone (also known as Narcan®) is designed to help reverse the effects of an opioid overdose. Having naloxone nearby can make all the difference to help prevent death.
